GENERAL INFORMATION

ACADIAN Organic has been researched around the globe, with trial result proving again and again **ACADIAN Organic** works where it counts - in the field.

DIRECTION FOR USE

Apply in foliar or root application systems early in the season and continue throughout the entire growing period.

Use **ACADIAN Organic** as a supplement to a well balanced crop management program designed to maximize quality crop production. To achieve desired results, major and minor nutrient levels must be adequate to support increased production.

Contact your local dealer or advisor for specific use recommendations.

COMPATIBILITY

ACADIAN Organic is compatible with most insecticides, fungicides and fertilizers. When interaction is unknown, a "jar" compatibility test is recommended.

STORAGE

Store in cool dry place away from direct sunlight.

This product contains no preservatives. It has been manufactured and packaged under strict sanitation conditions to be stable during transportation and storage. Once the container has been opened, the product should be used up to prevent contamination from occurring. Use within the season purchased.

CAUTION

Keep out of reach of children.

Warranty Statement: The manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of factors such as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of manufacturer. In no case shall the manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. The manufacturer makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
