SELCO SELENIUM GRANULES

To correct livestock selenium deficiency. Apply to pasture or fodder crops.

HARMFUL Keep out of reach of children
Read label before use

SELCO ULTRA

Selenium Granules

Active ingredient: 10g/kg selenium as sodium and borate selenate (90% minimum) and sodium and borate selenate (10% minimum).

HAZARD CLASSIFICATION:
6.1; 3.6; 6.1; 6.1; 6.1; 6.1; 1.0; 5.3; 5.3; 5.3

This product must be used for its purpose, or in any manner contrary to this label unless authorized under appropriate legislation.

TOXICITY
• Harmful — may be harmful if swallowed, inhaled or absorbed through the skin. Suspected of causing heritable mutations at high doses. May cause organ damage from repeated exposure at high dose.

ECOTOXIC
• Harmful to aquatic life with long lasting effects. Avoid contamination of any water supply with product or empty container.
• Harmful to the soil environment at high doses.

HANDLING PRECAUTIONS

STORAGE
Store in original container tightly closed in a locked, dry, cool area away from foodstuffs. Store in accordance with NZ554699 Management of Agrihazard.

Stains containing more than 1000kg require emergency response plans and signage.

PERSONAL PROTECTION
• Avoid contact with skin and eyes and avoid breathing dust. Wear protective clothing such as impervious gloves, overalls and boots when using. Remove protective clothing and wash hands and face thoroughly before meals and at work.

Wash protective clothing daily after work.

EQUIPMENT
• Apply using well-maintained and accurately calibrated equipment.

DISPOSAL
• Ensure container is completely empty. Burn in an appropriate incinerator if circumstances such as wind direction permit.

Otherwise crush and bury in a suitable landfill.

• Dispose of product only by using according to the label, or at an approved landfill.

FIRST AID: If swallowed do NOT induce vomiting. For advice contact the National Poison Centre 0800 POISON (0800 762 763) or a doctor immediately. If medical advice is needed, have product container or label at hand. If skin or hair contact occurs remove contaminated clothing and bath skin and hair with soapy water. If in eyes, wash out immediately with water.

SPILLAGE: Wear appropriate protective clothing and prevent material from entering waterways. Sweep up solids without creating dust. Wash area with water and absorb with bentonite. Dispose of waste safely in an approved landfill.

TRANSPORT: Do not carry this product on a passenger service vehicle.

DIRECTIONS FOR USE
FOR NATURAL / FODDER CROPS
Use 0.1kg/ha every year, or 1kg/ha every 2 years, either direct or with granular fertilizer. This provides 12 months selenium supplementation for all grazing livestock (except dairy animals) and 24 months supplementation when applied at 1kg/ha.

*Very for intensive dairy pasture treatments apply at 10kg/ha every year.

Apply during active pasture growth (spring, autumn).
Uniform coverage is advisable.

TO SUPPLEMENT SULPHUR IN WHEAT GRAINS
For both autumn and spring wheat crops broadcast 300g/ha – 1kg/ha Selco Ultra at sowing elongation (5511). Selco Ultra can be mixed and applied with urea.

Alternatively for spring crop, apply 10kg/ha Selco Ultra with the base fertilizer at sowing.

Approved pursuant to the NZ873 POA 1996. Approval Code 950101212
See www.epa.govt.nz for approval details.

CONDITIONS OF SALE:
CAUTION: READ THIS NOTICE BEFORE OPENING THE CONTAINER

If you open this container you will be deemed to have accepted the conditions below.

The results from use of this product may be affected by factors beyond Nufarm's control, including climate, use, condition, time of application, crop or crop stage. The product is reasonably fit for the purpose stated in this label, and even though labeled directions are followed. Nufarm will replace, free of charge, any product which is found to have a manufacturing defect. To the extent permitted by law, all other warranties, guarantees, representations and conditions, whether expressed or implied by law, trade, custom or otherwise are expressly excluded.

When you use this product, you agree that neither Nufarm Limited nor any manufacturer of any component of the product will be liable for any damage, injury or loss including consequential loss which arises in any way from the storage, handling, or use of the product. This exclusion of liability includes loss caused by negligent acts or omissions of Nufarm Limited or any supplier or manufacturer of the product or any of their employees and agents.
